

Paso-a-Paso Software Coaching
Marci Mearns RSHom(NA), CCH

MacRep & RadarOpus Training for Homeopaths

Our personal, one-on-one sessions focus on practical solutions that will help your study or practice right away.

Coaching sessions are 60 or 90 minutes in length, and I offer discounts for prepaid packages of 2, 3, or 4 sessions. You may start with a single session, and decide after that if you would like to purchase a package. Timing is flexible and by mutual convenience (I'm in California.)

90-minute sessions	60-minute sessions
1 Session: \$75 (1.5 hours)	1 Session: \$60
2 Session Package*: \$145 (3 hours)	2 Session Package*: \$114 (2 hours)
3 Session Package: \$210 (4.5 hours)	3 Session Package: \$162 (3 hours)
4 Session Package: \$250 (6 hours)	4 Session Package: \$205 (4 hours)

We use Zoom for our sessions. Headsets are recommended but not required.

If you have a case you would like to work on, please email your case in advance if possible.

** Please make arrangements in advance if you do not plan to complete your package within 90 days of purchase.*
